

Friday, Sept. 14th:

6:30pm - PICNIC! You can reminisce about the "class picnic" we enjoyed back in May of 1967 by coming out to the McHose park shelter house for some food and fun with your old friends - you can even wear your cut-offs and roll the cuffs! There will be plenty of time to visit, listen to "our" music (Ron Holte has his iPod system arranged to play oldies-but-goodies - he says it will play for 1.6 days and not repeat a single song!), and enjoy some great food. Hickory park of Ames is serving smoked/sliced beef, pork, and turkey sandwiches in buns with regular & spiced BBQ sauce, pickles & other condiments, coleslaw, BBQ beans, potato chips, and fresh veggies & ranch dip. You can also enjoy a beer from the keg, a glass of wine, or a soda pop. This evening is all about meeting & greeting friends and classmates, catching up on old times, and just relaxing on an autumn evening in the old hometown. Remember, it's casual - nothing fancy. There's still time to call your high school friends and tell them to join in the festivities.

Saturday, Sept. 15th:

10am - start the day with a tour in the hallowed halls of Boone High School. Carolyn Clark, assistant principal, will guide us because things have certainly changed in the last 40 years! The tour will last about an hour and won't cost you a thing.

11am - some of us are going to brunch... don't know exactly who or where, but we'll figure that out after the tour!

6:30pm - HEAD FOR THE HILLS! Well, the ski hills, anyway. We won't be doing any skiing, but we will be enjoying the new party room addition at the 7 Oaks recreation center, located west on highway 30, just past the river bridge. The staff there will be serving us drinks from the cash bar, plus a buffet, which will include your choice of a smoked pork loin sandwich or a hamburger, baked beans, potato salad, melon, and ice tea or water. We've invited Mo Kelley as our guest and look forward to his recollections about the old hometown as it was during our high school years. Ron Holte will provide the background music again. We'll watch the slideshow that Tom Peterson has created while continuing our "catch-up" from the evening before. Tonight, the photographer will be present to take our class photo, which you can order if desired.

Some classmates have mentioned that they'd like to golf while back in Boone and Kelly McMullan is the go-to man in case you're interested. Contact him at:
