Boone to Meet Council Bluffs In First Tilt At Memorial Park

Finals

8 p. m.—Thursday

Enthusiasm has been building up to the point that when the Boone High School Toreador baseball squad trots on the Memorial Park diamond this Wednesday evening it is apt to boil over.

The Toreadors will be hosting a 4-team summer high school finals that promises all kinds of top high school ball for spectators who are expected to jam the near 2,000 seats that are in place.

The Toreadors will meet Thomas Jefferson of Council Bluffs in the first game at 6 p. m. and Burlington Greyhounds will meet Mason City Newman in the second tilt at 8 p. m. The finals will be played at 8 p. m. Thursday evening.

The western Iowa team brings

an overall 41-9 record to the Memorial Park diamond for the regular and summer season. Council Bluffs lost a 1-0 semi-final game to Norway in the state tournament for the regular season. At that time the team boasted a 15-1 record which means they have played 34 games since the summer season opened and have won 26 of them and lost 8.

Richard L. Davis, their coach, told the Boone news-Republican that he has a "young squad with a lot of hustle who like to play ball".

Davis indicated that Larry LeMaster will be the starting hurler for the visitors with Steve Hoke behind the plate. If LeMaster gets into trouble Dave DeBar will be the number 2 choice. These boys have each won 16 games with LeMaster only losing two and DeBar losing four.

Boone Coach Bill Sapp said that he would go with the same aggregation that won the district finals over Marshalltown last Saturday night which means Joe Fontanini will be on the mound against the western Iowa aggregation.

Boone lays its 25-1 record on the line for this game.

The Toreadors won their second straight CIC title this year and have only lost out to the Newton Cardinals by a 1 to 0 score. The Toreadors won the summer title in 1965.

There will be six Toreadors who will be closing out their high school careers during this tournament.

These include Rick Neely and Tom Peterson, outfield; Hal Lyness, first base; Kelly McMullan, short stop; Denny Behn, third base and Jack Teagarden, catcher.

The diamond at Memorial Park has been manicured into near perfection for the play. Added seating has been hauled in and if the weatherman cooperates Boone fans should have quite a treat in store for them this Wednesday evening.
